## Happy 2018 WRCA/FAVE - a message from our president.

First of all a great big Thank You to all for entrusting me with the office of the President! I will do my best to earn and keep that trust.

The 2017 convention was AWESOME. For it only being our second year at Texas Station things went very smoothly. We were at our last home, The Riverside Hotel and Casino for many years, 27 years, I think. That gave us a lot of time to fine tune it. We had it down to a science.

Now Texas Station has become our new home and I must say it sure has its advantages. The class room space is great, our registration area is fantastic, lots of places to eat, and a lot less smoke! I wish it was smoke free, but we are in a Casino. There is no smoking in our area though, and that is great!

A lot of the bumps in the road from last year have been addressed and we are on to bigger and better things. Your Board is already hard at work planning this year's convention. "What you say, already?, yes already. It takes an entire year to plan and prepare for the next year, and do we have a great convention in the works!

We are revamping our schedule. We are a changing organization and we have reinvented ourselves to be not only an awesome convention for clowns but to include all of the family entertainment venues.

Our many thanks to our founders who had the vision to start The Western Region Clown Association, a convention to educate, celebrate, and jam together. Our slogan of "Laugh, Learn and Play at WRCA", has served us well. As WRCA grew it included magic, balloons, face painting, jugglers, puppets and so much more. This is the right time to expand our vision. I am excited to say in the last 3 years since we started out on the journey as FAVE, we have seen many great additions to the Family of Entertainers. It is time to get excited, catch the vision and spread the word. You will not find another convention that is so affordable and has so much to offer.

On that note, we do have critique sheets available on our website if you have a concern you would like to share. Your feedback is very important to us. We take critique sheets very seriously, we read them and discuss what we can do to address each and every one. We enjoy your feedback and the positive things you have to say. Please keep communicating!

We want to hear from you.

Looking forward to another great year!

Bump a Nose Candy "JellyBean" Kirkley FAVE President

## Message from our new Vice President "Kelly The Clown" Martinez

I am excited to be the new Vice President for WRCA/FAVE. My family and I have been attending this awesome convention for over 20 years, and I am looking forward to being a part of helping the convention grow.

This year is **NACHO** average convention! We will get to the theme in just **JUAN** moment. I hope everyone will **CHIP** in to help create the **GUAC** and roll atmosphere! I will be dressed up from my head, **TOMATOES!**

**LETTUCE** get to the point and spill the **BEANS**. It's time to **TACO** bout it!

The theme for FAVE 2018 is ...**drrrdrrrdrrrdr** (<--That's a drum roll) **FIESTA!!!**

Once again, there will be a table decorating contest as well as a costume contest. We hope to have lots of participants this year. There will be a raffle and games, to raise money for your Junior Joey and Teen Joey program. Don't forget to apply online for a chance for your Joey to be awarded a scholarship. You can find the application on our website.

Now it's time to put on your thinking sombreros and help us come up with a name for our youngest joeys. We have the Junior Joeys and Teen Joeys. We now need a name for the group age zero to five-year old's. Help us find the perfect name for our youngest members.

Our schedule has recently been revamped. Be sure to join our board members and area representatives Monday morning for a meet & greet that will include a tasty breakfast. We will be anxiously waiting to greet new and returning friends as we join together, to kick off FAVE 2018.

If you have any suggestions, please contact me at [kellytheclown@sbcglobal.net](mailto:kellytheclown@sbcglobal.net)

**Kelly The Clown Martinez Vice President**

## From your Registration Chair, Dennis Owens, Happy, Healthy New Year

FAVE Convention dates: November 11-15, 2018

Location: Texas Station Gambling Hall & Hotel in Las Vegas,

This is our 33<sup>rd</sup> convention. 30 years in Laughlin and our 3<sup>rd</sup> year as FAVE in Las Vegas, presented by the WRCA. Even though our convention is 10 months away, it will be here before you know it. Some folks shared, one of the reasons they did not attend, was they could not afford it. So, plan ahead! You can put monthly contributions from your birthday party's, entertainment show fees into a jar marked, "FAVE convention 2018", along with any loose change you find inside your pockets or purse or stuck between the seats in your car or couch. You may even qualify for PayPal Credit where you can buy now and pay later.

A **New** method we are offering is the ability to make partial payments. If you want to register for the convention but cannot pay for it in full now, you can request a payment plan. You have 3 ways to request a payment plan.

1<sup>st</sup> by going to register online and filling out the registration form. You will be asked to select either Credit/Debit Card, Mailing Check, or Payment Plan. Select Payment Plan. Fill out the form. Under notes, list what you want to order such as: 1 adult registration, 1 Junior Joey registration and then click SUBMIT. If you need extra tickets for the banquet or other events list that as well. Questions [registerforwrca@gmail.com](mailto:registerforwrca@gmail.com)

2<sup>nd</sup> way is by sending an email to [registerforwrca@gmail.com](mailto:registerforwrca@gmail.com) requesting the payment plan. (Include your information. Name, Address, Phone number, etc.)

3<sup>rd</sup> way is by calling me at 310 619-0677. I will send you an invoice that will allow you to make partial payments. The balance is due by the due date on the invoice. You will pay directly from your invoice. Just follow the directions. The first option is best.

WRCA has been happy to offer our members the lowest cost convention around, without compromising the quality of our instructors, entertainment and added features. Over the years, however, the expense of producing the convention has outpaced our income, which comes primarily from registration fees. Several years ago, we realized that we were running the risk of putting ourselves out of business by taking in less than we were paying out. By cutting costs and raising the registration fee a little bit over the following years, we were able to reverse that situation and put ourselves back on the right track.

### Registration Fee

The fee for the 2018 convention is \$195 now through October 10, 2018.

After that date and at the door, the registration fee will be \$230.

**Includes membership, classes, special events, competitions, theme party & awards banquet with show.**

### Junior Joey Registration Fee

Juniors Ages 6 to 13 – \$75 Note: The Junior Joeys cannot attend the adult classes unless approved by Junior Joey Director or the Education Director.

Teens Ages 14 to 20 – \$125 Note: The Teen Joeys can attend the adult classes.

**Includes membership, classes, special events, competitions, theme party & awards banquet with show.**

### Day Pass

Day passes will be \$125 per day, Monday, Tuesday, or Wednesday.

**Includes, classes, special events. Not able to compete with day pass.**

### Extra Tickets

Extra tickets for people who did not order the Full Registration, such as your Spouse, the fee is:

Theme Party – Tuesday – \$20

Banquet – Thursday – \$65

### Membership

If you are not able to attend this year's convention, membership is \$10.

Send to WRCA - 8201 Tyrone Ave. - Panorama City, CA 91402. This will keep you updated as events unfold

### Convention Special

If you were at the 2017 general membership meeting, you were told about our convention **special registration fee**. (You had to be at the meeting.) You had a chance to request our convention special registration fee of \$165. Some of you took advantage of this special, which ended with the close of the meeting. Although that special has ended, I have another special for you. As you know, we need to have more conventioners attending each year. So, the title of this special is, "**Bring Someone with You**". It must be the person's first time at our convention or he or she has not been at our convention since leaving Laughlin. The special registration fee is \$175. If you know of someone and want to invite them, you will also receive your registration for \$175, but you both need to register at the same time. You need to either email me or go online and fill out the registration form and request the special. I will send an invoice to your friend and after he or she pays by the due date, I'll send your invoice. So, get out there and start bringing new members.

We will continue to strive to bring you a fantastic convention and are constantly working on how we can meet your needs, both constant and changing. Please remember that we are no longer offering buffet tickets. Texas Station has great food locations and you can visit our website for more information.

## **Greetings from our Convention Director Sandra Farewell**

Happy New Year! Welcome to 2018. The board just had our first meeting for the new year and I am so excited for the new schedule we have planned for convention.

Sunday evening we will begin registration. The hospitality room will be open; a wonderful place to have some refreshments and say hello to friends old and new. If you know someone who will be attending for the first time, please tell them there is a newcomer's class on Sunday night. Even better help them find it. There will also be a beginning balloon class for those who want to jump into balloon twisting this year. And we can't forget our fabulous balloon jam room sponsored by Qualatex. Make sure your room registration begins on Sunday night so you won't miss out on any of the fun!

Monday will be packed with several must attend events. We will be returning to the old tradition holding the President's Welcome in the morning. The Vendor Show will entertain you while you dine on donuts and coffee. Following the show will be the mandatory competition meeting and the opening of the vendors room. Monday night will be the Staff Show and open mic.

Tuesday will be classes, classes, classes, the face painting competition and more classes! (Not necessarily in that order.) Then Tuesday night we will have our famous Theme Party! (see Kelly's article for more details).

Wednesday will be filled with classes. Then once instruction for the day has ended, there will be a pizza party combined with Parodability and Skit Competitions. This will make for another fun filled enjoyable event. Start practicing your skits now! I want to see all of you compete.

Thursday morning will be donuts and coffee served at the board meeting followed by your Last Chance to Shop. Then the afternoon will be filled with several new and repeat classes. There is very little down time this year. We want to make sure you always have something to participate in if you want to have some fun!

## **Special Thank You for Sherry "Lollypop" Ralston from our WRCA Board**

The WRCA/FAVE Board would like to extend our heartfelt Thanks to Sherry "Lollypop" Ralston, for the many years of hard work and service to our organization!!

Wow, where to begin? Sherry has been with WRCA almost from the beginning. She has served in many positions, beginning with Treasurer, which she held for 8 years. She has also held the offices of Secretary and Vice President. She has done an excellent job in every position she has undertaken.

Sherry has also held the position as Theme Party Chair since 2001. During that time she has placed WRCA on the map, for the fantastic parties she has put together. They are always so much fun and the decorations and atmosphere transport us into the world of our theme.

During the last several years, Sherry has found ways to add the Junior Joeys into the mix to help with their own fundraisers. This has given the Juniors an opportunity to be more involved in the party itself.

Sherry has put in many hours over the years to create some of the fun we have each year. Her talents and hard work in every area that she has been involved, from teaching, being a Board Member, ([continued next pg 6](#))

Face Painting Competition Chair, to creating awesome theme parties, all her dedication and hard work is so appreciated.

All good things must come to an end and Sherry has decided that her time as Theme Party Chair and Face Painting Competition Chair, has done just that. Her talents in these areas will be sorely missed! The memories will live on in our hearts and all the wonderful pictures.

Please feel free to drop her a line, and share one of your favorite memories.

We wish her all the Best in all her future endeavors.

### Insightful thoughts from LA Rep Joy Payne

Hello, Fellow FAVE Members! Many years ago I compiled this list of 7 Rules that have been essential in my clown growth and development. As I evolve as a person and as I clown, I revisit the rules and make adjustment an adaptations. I am sharing them here with hopes they may benefit you as well. If you have questions or comments please let me know!

1. **Be Yourself:** Know your performance style (comedian, teacher, cheerleader, character, etc.). Are you "ask" or "tell" assertive? Create an evolving clown "bio"( see bio detail in last in Sept 2017 Klatter).
2. **Responsibility + Authority = Power:** By accepting the booking you have taken full responsibility; by hiring you the client has given you full authority. By putting responsibility and authority into action you create your power to get the job done.
3. **People Want You to Succeed:** The client trusts you can fulfill the job. You are a reflection of your client's taste and judgment. No one wants to hire you to watch you fail.
4. **If You Have Fun, They Have Fun:** Everyone will be a mirror of you, so every facet of your job (even the most difficult, boring, etc.) must be made to be fun. No matter how good you are, you can only be entertaining to others if they see how much you love what you are doing.
5. **Never Say Good-bye:** When you have done all of the above to the best of your ability expect to be called again by this client and/or other guests. Each performance/appearance is your "audition" for your next performance. Try "See you next time!"
6. **Live in Your ZOD (Zone of Development):** Keep expanding and deepening your skills while balancing both the technical and the artistic. Stay fresh!
7. **Think with your HEAD - Clown with your HEART:** In negotiations and making business "deals", think with your head. In all encounters, while in "clown", use your heart. Soon the two will "morph" into one; that's when you will truly be "playing for a living"!

Your Clown, Forever,

Joy

**Greetings Everyone** and Happy New Year. I trust you all had a great Thanksgiving and Christmas. It was great seeing everyone at convention in November. Hopefully we will have a lot more attending in 2018. Congratulations to our new officers. I know that they are hardworking people and will make this coming convention a great success. I'm proud of my granddaughter Gracie who received the Jr. Joey Award. I'm thankful for all of you for brining your great talents with you to share. I look forward to seeing you all again.

## Stuff by Rosemarie “Wower” Ballard Southern CA Representative

**It’s all about stuff!** How much stuff have you purchased that is stuck someplace and you have never used any of it? I am so guilty! I have big dreams of doing puppets and magic. I have all the books, DVD’s, puppets, props and the desire. I feel it is right around the corner. So much to learn and so little time. I have been cleaning and now have everything organized, so maybe this year, I can add a few new things to my already huge bag. I am trying my best to make it happen now. I challenge you to find and use some of that wonderful stuff yourself.

In 2017 I had the privilege of working with Jeff Abbit on a 2 day gig in Palm Springs. He is a master funny man. I learned so much working with him. I will tell you, we were 2 peas in a pod. The reason I was so impressed was his constant banter and use of clown props. Not Kidding! He had his props in a wagon and magic in an attached box. Every goofy, silly thing I have ever seen sold at convention, plus what he made himself. It was an inspiration. If you ever have an opportunity to work with him, jump on it.

**Be Your Best—Do your best— Grow your field of knowledge— Become all you want to be and most of all be kind.**

### Happy New Year! Dizzy Dave

Since we last got together, I’ve been working on fixing up and updating my cosplay costumes. I had a wonderful Holiday season with family. My weight loss is finally ‘tracking’ so perhaps I’ll be a skinny dude by November. I enjoyed taking the multitude of photos and you can still use your photos if you would like to share. You can send them to my e-mail

[chainblaster@gmail.com](mailto:chainblaster@gmail.com), or post them to the Facebook page (as an admin, I can approve them if they don’t post directly). I heard kind words and good comments about the ‘Simple Balloons’ workshop that I taught, and hopefully the ‘freebie’ balloons will be more easily obtainable (or perhaps I’ll bring an extra bag to share). Hopefully the ‘building blocks’ that I shared are helpful in your epic balloon creations. The San Diego All-Star Clowns are anticipating our traditional ‘pilgrimage’ to Circus Vargas in early February. In past years we’ve had a total blast and perhaps helped inspire kids to want to become clowns. Personally, I’ve also started doing ‘cosplay’ events with the San Diego Star Wars Society, an organization that is much like a clown alley but with lightsabers and stormtroopers in the place of red noses and giant shoes. The WRCA Convention is definitely something to look forward to each year. We seem to be getting in the groove at Texas Station and by November the kitchen should be fully operational with their legendary Hash Browns. Yum! Hope we’ll see more faces, both familiar and new ones in 2018

### AZ Rep Becky “Zippie” Wells

We had an amazing turnout from the Red Hot Clown group at the convention as well as 6 clowns from the area. Our alley is always open to new people. We meet the first Tuesday of the month at Happy Trails in Surprise. We do have a new clown, Rose, who is a wealth of information and very technically savvy.

We came away saying this was the best convention ever as we all brought ideas home. We spent one entire meeting on "improv" using Lovely Buttons theory of keep it simple and small. Each clown in our group brought 3 small items in a bag and put them on the table. We broke into groups of 3, took a bag (none that we brought for the group) and had 5 minutes to come up with a skit. Then we switched bags and did it again. One group had a wedding out of toilet paper on a roll, flowers and a book. Each of us reported on our classes. Daisey showed us magic out of rope after giving each of us a supply. Pokey Dottie won 1st place as the best dressed pirate and BeBop and her pirate friends decorated our table for the theme party and won 1st place and a treasure chest of goodies. It is a wonderful feeling to know our board works hard year around to bring us an educational convention.

It is with a large clown tear that we say we lost Shirley Sikes, better known as "Rosebud" post surgery. We have a big hole in our hearts but know she will have a whole contingent of new clowns following her.
